Fun Run 2016

So it didn’t rain! Instead it was a glorious day and the kids once again ran full pelt around the 440 metre track! The little kids ran about 8 laps but a couple ran 23 laps!! When the big kids hit the track they were told that the record was around 27 laps...Well Angus ran 44!! Many of the students ran 15 to 20 laps.

We had dress ups including a unicorn and Mr Miller’s favourites the “slow motion team.” They would pass through the checkpoint as slowly as possible then hurry around the course to do it again! Thank you to all the parents and grandparents that came to support the event and helped with marshalling and checkpoints. It was much appreciated!

TooSmart! Conference

45 enthusiastic teachers and SSO’s from as far away as Wudinna, Clare, Renmark and Naracoorte attended the second of our TOO Smart! conferences. Many schools are taking up this program and we are very proud to contribute to other schools numeracy teachings.

The photos show our teachers Lynne, Cathy and Michele presenting at the conference.
Ryan was very proud of his Grandfather who served in the armed services. He brought a photo and beret to show his class.

Ava shows off her Judo medal. Actually the whole family won medals!

Amelia, Antonia and Gypsy show Mr Miller their science project and tell how they became best friends through working together!

The Adelaide Symphony Orchestra brought their show to Seacliff last week. The classes had prepared costumes and learnt about the show ready to join the performance. Here they are flying like birds to music performed by the ASO!

Junior Primary students proudly receive their weekly awards at Friday assembly.

Congratulations to these students who attended the Little Big Book Swap launch on Wednesday 1st June with me in Rundle Mall Adelaide. Channel 7, 102.3 and the Advertiser were there as well. We had lots of fun and represented our School in costume from Alice In Wonderland, encouraging literacy and a love of reading.

A Huge thank you to all the students who offered to come with us but unfortunately we had limited places on the bus.

In conjunction with this we will be asking for a gold coin donation at our Mad Hatters Tea party on July 1st [Friday week 9] in support of Raising Literacy Australia.

This will enable them to:

- produce new, quality picture books for families with young children,
- develop programs that support parents and carers to share stories with their children,
- establish children’s libraries in vulnerable communities,
- provide training for early childhood practitioners and support outreach services by supplying free books and resources for vulnerable families.

Thank you, ROBYN SMANS
Thanks Conservation Volunteers Australia and Holdfast Bay Council!

This week we welcomed the Conservation Volunteers Australia to our school. Five volunteers spent the day digging and preparing holes for new plants along Stormy’s Creek. The LandCare Group (Room 10) assisted with planting and Mike from Holdfast Bay Council provided us with 100 new native ground covers, shrubs and trees!

In such a short time together we have provided a lifetime of conservation!

On Friday, May 20th the classes of Rooms 0, 6, 10 & 17 went by bus to the historic pioneer village of Old Tailem Town. Many children, parents and teachers dressed up in old fashioned clothes of the era. Everyone had a great time and enjoyed looking at the old buildings, trucks and machinery that the early settlers used. We also looked at the cemetery that showed what short lives people had back then. Everything was dusty and dirty like it would have been in the pioneering days. It was fun when we had to march into school with the beating drum and had an old time school lesson. Luckily everyone was well behaved so no one got the cane!
