Last Day of Term Casual Day and 2.15pm Early Dismissal

SRC have voted to have a casual day on the final day of term. Students are asked to bring a gold coin donation in support of the Starlight Foundation. Starlight’s mission is “To brighten the lives of seriously ill children and their families”.

THE MAD HATTERS TEA PARTY CELEBRATION

Seacliff had a visit from not just one but many White Rabbits, Mad Hatters and Alice’s on Friday the 1st July at our celebration of Alice’s Adventure in Wonderland and Mad Hatters assembly. This was followed by a Mad Hatters Tea Party where classes enjoyed a shared recess with their buddies and neighbouring classes. Rooms 10 and 11 were even served a cup of tea, with their morning tea.

$333.30 was raised in donations for Raising Literacy Australia, an organisation which provides reading packs to families to encourage literacy and a love of reading. We thank them for their kind donation of three packs to our library.

A big thankyou to all those who contributed to our day, either by helping the students look so great in their costumes, providing morning tea or by coming along and being apart of this exciting event.

Reception Enrolment’s for 2017 now due!

We are currently organising our enrolments for 2017 and need all new Reception student enrolment forms by the end of this term. Please contact our front office staff for the forms. This will enable us to inform families on our waiting list of available places.
School Parking Reminders and Information

Thank you to all families who drive their children to and from school in a safe and courteous manner. To ensure the safety of everyone in the school community we are trying to improve the efficiency and safety of traffic flow during peak times on Pine and Barwell Avenues. Please take the time to read the following strategies and information.

- On Pine Ave please move forward in the drop off zone when safe to do so. Drivers must remain in the vehicle at all times. (it is a council offence to leave the vehicle and fines do apply). On days when a bus is booked the entire drop off area will be coned off to prevent entry.

- When leaving the drop off area on Pine Ave please continue in a westerly direction. Three point and U turns within close proximity to the crossing and drop off area affect the traffic flow and are discouraged for safety reasons.

- It is an offence to park your vehicle in areas designated by a yellow painted line. Please do not park your vehicles in these areas e.g. Barwell Rd turning circle.

- To ensure effective traffic flow drivers should stay with their vehicle when dropping off and picking up at the No Parking Area on Barwell Ave (it is a council offence to leave your vehicle)

- Vehicles should only remain at the pick-up and drop off areas on both Pine and Barwell Avenues for a maximum of 2 minutes.

- Council have agreed to periodically monitor and police both Pine Ave and Barwell Ave at times of high risk.

- Nearby parking is available in the Memorial Car Park off of Scholefield Rd

ICAS Competitions

Students from year two to seven have participated in four ICAS competitions during term 2—Digital Technologies, Science, Writing and Spelling. These competitions are available to students Australia wide and students certificates of achievement which will be distributed at assemblies. The two remaining tests will take place in August:

3/8 English
17/8 Mathematics

We look forward to many wonderful results from our students.
FUNDRAISING COMMITTEE

"The Fundraising Committee wish to thank everyone who participated in the survey. Responses were very positive. The committee has already met to discuss the results, follow through on the feedback and put some plans in place. Relevant information is also being forwarded to Governing Council. Thanks again and we look forward to sharing the results and plans with you in the near future."

OLIPHANT SCIENCE

Around above seventy entrants registered for the Oliphant Science Awards this year.

Due dates for completed projects:

The following categories are due on Wednesday, July 27th:- Science Writing, Scientific Inquiry, Games & Multimedia.

The following categories are due on Wednesday, August 24th:- Models & Inventions, Photography & Posters. Open Day for winning entries is Sunday, August 28th.

Nuts and Anaphylaxis

Anaphylaxis is the most severe form of allergic reaction. The symptoms of anaphylactic shock may include hives, swelling, watery eyes, runny nose, vomiting, diarrhoea, stomach cramps, coughing, wheezing, throat tightness/closing, difficulty swallowing, difficulty breathing, dizziness, fainting and loss of consciousness or a change of skin colour. The most dangerous symptoms are breathing difficulties or a drop in blood pressure, which can be potentially fatal.

At present there is no cure for anaphylaxis and very few people with nut anaphylaxis will ever grow out of it. A tiny amount of the allergen, a trace amount, is enough to cause a reaction that will threaten the life of these allergic children.

In order to protect students with allergies to peanuts and similar nut products no food containing nuts should be brought to school. These include Peanut Butter, Nutella, fruit and nut bars and any other products that have nuts listed in their ingredients. For your own child this does not include products that contain the warning “may contain traces of nuts”. If however your child’s class has a shared lunch please avoid products that may “contain traces of nuts”.

Students are to ensure they do not swap or share food and drinks. Parents of students with an allergic reaction to nuts are to inform the school and play a key part in the development of an action plan for their child. If you are ordering food from the canteen parents should indicate any food allergies their child has. You can do this by writing on the bag:

- Child’s name
- Allergy
- Food order

It is not possible however, to guarantee that nut products will not be in the school due to the large numbers bringing food for their recess and lunch.
**Food for everyone!**

Room 14 & 15 went to the central market to buy ingredients to cook a meal for lunch on the following day.

We each brought $5 to buy ingredients.

We got to choose different cuisine from Italy, India, China, Egypt and Greece.

There were many groups cooking different meals. Some of the dishes included: tandoori chicken, honey soy chicken with hokkien noodle, home-style chicken curry, butter chicken, Indian red lentil soup, and pasta carbonara.

On the following day we cooked our food in teams of 3 or more. Our group Seth, Cassidy and I chose Italian cuisine and cooked Pizza. We managed to make 2 cheese, ham and pineapple pizza for $14.80 staying in budget by 20 cents!

We gave out pizza to almost everyone in our class! We actually gave out more than we ate!

Both the excursion and the cooking were amazing and we learnt some fantastic cooking skills.

---

**Festival of Music Compares 2016**

Earlier this year we had an idea to audition to compare one night of the Festival of Music 2016. On the 18th of May our choir got assessed. After the assessment we asked the assessor about the compare auditions. We soon found out that the compare auditions were on that day. We then straight away called the head of Festival of Music and then they told us that we could video our audition and send it through to them and we would still have the same chance as everyone else of getting compare.

On the 1st of July Mrs Baronia got an email saying that we got the role!

We are very excited about being a part of Festival of Music.

Written by Victoria—Rm15 and Sarah—Rm 14
**Term 2 Highlights**

The ten weeks of term two seems to have flown by but Seacliff students have still had time to enjoy some wonderful learning opportunities both at school and in the wider community:

**Special Events & Programs**

- The Mad Hatters Tea Party and the Alice in Wonderland 151st Anniversary Assembly
- The Hoops Competition and Circus Program
- School Fun Run
- NAPLAN Testing during week 2

The growth of the Too-Smart program including hosting a conference to promote the program to schools from many areas of South Australia

**Camps & Excursions/ Incursions**

- Symphony Orchestra Bush Concert
- Bell Shakespeare Performance
- Middle Primary Old Tailem Town Excursion
- Upper Primary Adelaide Gaol and Central Market Excursion and follow up Asian cooking activity
- Junior Primary RAA Street Smart road safety sessions
- Year 5-6 Mylor Camp

**School Sport Programs**

- Year 5-7 Golf (several students have now continued into the SAPSASA program)

District SAPSASA events: soccer, football, netball, hockey and cross country

Huge participation in school winter sport teams: soccer, football, netball & basketball.
Your old entertainment book has now expired!
USE THIS LINK TO OUR PAYMENT PAGE TO GET YOUR NEW EDITION NOW

LOST PROPERTY
Please check lost property in the court yard on the last day of school as there are a large amount of items still unclaimed.

All lost property is now placed in the court yard. It is hoped this will be more accessible and encourage students to find their things!

Spare Clothing
School polo shirts and shorts are needed for our first aid room. It would also be helpful to have larger sizes for children who require a change of clothes during the cold wet winter days.

Thank you for your help!

LITTLE RED RIDING HOOD BASKET CREATIONS

Room 13 and their buddy class Room 2 were given a task to design and create a basket that could carry the weight of 3 staplers and the size of a paper plate. They worked in pairs with their buddy to create the best basket possible.

The baskets were tested on the courts by the room 2 students. Their task was to skip a little way with their basket to test its strength. Some baskets were stronger than others and everyone learnt a lot.
OSHC NEWS

Seacliff OSHC is excited to announce the new installment of various arcade games. From our previous excursions to Megazone in Noarlunga the students really enjoy the arcade aspect. OSHC has purchased a new air hockey table and foosball table and hope to see student’s sportsmanship, communication and competitive spirit thrive with these new resources. OSHC is currently planning on implementing new resources such as a dedicated homework study area which includes ICT resources. This will provide the students with the support and learning environment in which they can thrive in relation to their classroom activities.

Vacation Care is right around the corner! Days are booking up quickly so we encourage families to fill out the Vacation Care enrolment form and return it to OSHC. We have some very exciting incursions and excursions planned for the students so their holidays will be very enjoyable!

Our Legend of the week this week is Charlotte. She took the time to research something that took her interest in the computer room. We take our hat off to Charlotte for this, as she applied the tenacity and drive to build upon her knowledge around her topic of interest.

As OSHC is getting busier and busier we would like to introduce our new staff members. Lysa, Jack and Naomi have come aboard and provide a great addition to our team. They are more than friendly so if you see them about please make them feel welcome.
