

# Seacliff Primary School

VOLUME 11

AUGUST 3RD 2018

## DIARY DATES 2018

- ◆ 6th Aug—  
Governing Council  
meeting 6.30pm
- ◆ 7th Aug—Science  
Show R-7
- ◆ 13th –17th Aug-  
Science Week
- ◆ 15th Aug—Science  
Show Mobile  
Education
- ◆ 20–24th Aug—  
Book Week
- ◆ 24th Aug—Book  
Week Assembly
- ◆ 7th Sep—Fathers’  
Day Film Night
- ◆ 10th Sep -  
Principal tour  
9.30am

School contact no.  
Ph **08 8296 1950**

Welcome back to Term 3 everyone and an especially warm welcome to **Alfie (Reception), Shyla (Year 2) and Will (Year 5)**.

We wish them and their families a warm welcome into our school community.

### Enrolments for 2019

These are taking shape with similar numbers likely to last year for our Reception intake. We also regularly receive enquiries for enrolment from families out of our school’s zone into other year levels. Where we can’t accommodate these students, their names go on a waiting list. With places so limited, if we are going to offer places and plan classes for 2019, we really need to know if families are planning to have their children go to schools elsewhere in

### Welcome back

2019. If you have already made the decision to move or you’re considering it and would like to have a chat, please email the school at [dl.0913.info@schools.sa.edu.au](mailto:dl.0913.info@schools.sa.edu.au)

### Hall update

Not a happy start to Term 3 to find our

school hall flooded out with extensive damage to the kitchen area and the flooring in the hall. Credit to the OSHC staff and students who quickly went into ‘*hall rescue and clean-up mode*’ to at least make the space useable on day one. Our Business Manager, Suzi, got straight on to the Department for inspection, damage evaluation and planning for remediation. The result will be a new kitchen, and ultimately, new flooring for the hall (all covered by insurance – phew!). There will obviously be some disruption when

the new kitchen is being installed and the damaged flooring removed. It is estimated that the new sports area flooring will be replaced in about 12 weeks. However, in the meantime, the floor will be prepared as a non-slip concrete surface that will allow for continued use with PE classes and our outside user groups.

### New 3:30p.m. Bell

Many parents may have already heard our 3:30 bell and wondered what this is for. It is a reminder to those students, who have not been collected by this time, to report to the front office. This issue was raised at Governing Council as a duty of care, particularly for younger students who can become anxious if they are not collected on time. Parents of older students may wish them to remain by the gate in the event that they are running a few minutes late. If this is the case, please put a signed note in your child’s diary.

## Staff v Students Netball

Although this game was ultimately abandoned due to rain, it was great to have so many classes come out to watch the staff in friendly competition against our senior netball team. Safe to say the staff were very disappointed that the game had to stop as, with a serious height advantage, they were slowly edging ahead on the scorecard.

The students played with skill and great spirit and a rematch might be on the cards. With volleyball in Term 1 and netball in Term 2, these friendly Staff v Student games are a fun end of term activity.

Thank you to Calli Morgan (Seren's mum) for umpiring, to the staff who didn't play but supervised students, and to the parents who came to cheer the staff along!

Netball,  
parents and  
professional  
development

## Save the Date: Parents in Education (PiE) Week

The staff and Governing Council are keen to see parents actively engaged in the school and aware of how broader educational issues are impacting on children today. As a child's first teachers, parents have such a critical and fundamental role in providing an environment that prepares children for success at school.

On **September 18<sup>th</sup> at 6:30pm**, Seacliff Primary School will be hosting a free webinar as part of PiE Week. The topic for this event is, '**Behaviours for learning and wellbeing**', with Dr Justin Coulson. More details will be circulated closer to the date. We will also be inviting parents from local preschools to join us.

Please save the date and come along, meet other parents and caregivers, and join in with the conversation over light refreshments.

## PRINCIPAL TOURS DATES

**Term 3—Monday 10th  
September &  
Term 4—Monday 29th  
October**  
All tours are at  
**9.30am—11.00am**

## July 23: Pupil Free Day

While our admin team were busy at school the teaching staff attended a Partnerships professional development day at Sheidow Park Primary School, to continue the joint work of 8 local primary schools on learning design and moderation. Most of the afternoon was given over to teachers to share their classroom practice and research. Almost half of these workshops and presentations were by the teachers from Seacliff and the feedback was very positive.

Thank you for the additional time and work that so many of our teachers put into the preparation for this day.

## Seacliff Canteen Feature

The School Canteen is certainly getting busy! It is great to have so many families starting to take up the option of ordering from the canteen.

Thank you to Natalie Spence and to the 128 families who responded to the Canteen Survey. An especially big thank you to one of our families, Mel Climent (Mint Research) for their wonderful work in helping to develop, and then preparing, such a professional report analyzing all the data.

Congratulations to Emma and her team of volunteers for being featured so prominently in the PFD Quarterly Magazine which is distributed state wide to schools and other catering businesses. Our student volunteers are doing a great job and I know Emma would just

love to have some more parents help out as either regulars or on a casual basis. Please drop in and have a chat with Emma if this is something you would like to help with.

## Fundraising Committee Donut Day Fri 3/8

Thank you again to our Fundraising Committee for your efforts to organise this colourful and tasty event.

Thanks also to those staff, students and families who were able to participate in this fundraiser.

Congratulations to Jenna and Kelvin on winning the the soft toys dressed in their favourite team's colours.

## Governing Council

### Profiles - Sofia

Hi there. My name is Sofia Carlmark and I'm one of your friendly GC members. I have a daughter, Siri, in

Year 1, Room 5 and my son George is at Seacliff Montessori. I work as a part-time nurse and I like to make time to be up at the school whenever I can.

I joined the GC to gain more insight into the way the school functions and to contribute in any way I can. I hope we can all help to make this school run in the best way we can so all our children will benefit.

# ENROL NOW IN PRESCHOOL

Going to preschool helps your child to learn new things, make friends and develop confidence.

Children who turn 4 before 1 May 2019 can start preschool at the beginning of the year before they start school.

**Families are encouraged to register for 2019.**

## FYI - For Your Information

Hey adults, have you ever smoked or had too much to drink? At school we have heard of some good reasons why you should stop!

In the first week of Term 3, the whole school had an incursion called FYI - *For Your Interest*. A man called Richard ran the FYI program in the hall. Over the last 4 years, Richard has been at this school three times.

The Receptions, Year 1 and 2s had a session about body parts. The year 4 - 7s had a session about drugs and health.

In the year 4 - 7 sessions, we

learnt many things but here are some of our favourites.

Some cigarettes are flavoured; cigarettes can give you gum cancer; some cigarettes have the same chemicals as rat poison and even rocket fuel.

The Receptions learned about brains and stomachs but their favourite bit when learning about body parts was when the puppet dog Charlie came out, peed on the wall and then chewed on the wall.

The year 4 - 7s favourite quotes were, 'Make good

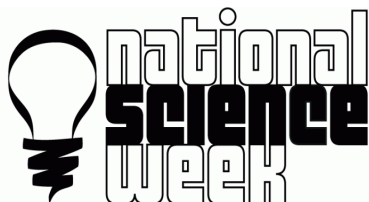

choices,' and 'Don't smoke!' Take our advice and try to quit smoking. If you do, it will really help you!

We all enjoyed the FYI sessions a lot!

*by Tilly and Riley*

*Year 4 (Room 11)*

## Science News

## Changes to Science Event Dates

Our science shows that were to be held on Monday, August the 13<sup>th</sup>, will **now take place next Tuesday, August 7<sup>th</sup>**. On this day, Junior Primary children will attend a presentation called, "The Bright, Hot, Noisy, Wiggly Show", while students from Year 3 to Year 7 will experience "The Critical Thinking Show".

Payments for Science Week events are due by Wednesday, August the 8th.

## Oliphant Science Update

Photography, Models & Inventions & Posters entries must be delivered to Seacliff Primary School's front office on **Wednesday, August 22<sup>nd</sup>**. At the end of last week, entries for twenty-seven students were submitted in the 'Scientific Inquiry', 'Science Writing', 'Multimedia' and 'Games' categories.

# SEACLIFF PRIMARY SCHOOL CANTEEN WINTER MENU TERM 2&3 2018

**KEY:**  
G= Green  
A= Amber  
V= Vegetarian  
GF= Gluten Free  
DF= Dairy Free  
H= Halal Certified

As a DECD school it is policy that we follow the Right Bite Strategy. It teaches our children to be more aware of what they eat and thus be healthier and they learn good food safety practices too - skills for life. Foods are rated either Green (choose plenty), Amber (select carefully) and Red (occasionally). Nothing on our Menu is Red coded! Red category foods will only be used for special occasions such as Fund raisers. We cater for vegetarians, gluten and dairy free needs and some of our foods are Halal, we also use light or low fat where possible. Please ring to make a time to talk to Emma if you have any questions regarding this.
