
SEACLIFF PRIMARY SCHOOL DRESS CODE 2016

Endorsed by Governing Council on 28/11/16

- The school uniform has been designed to be practical, affordable and to look presentable.
- We want students to feel proud about wearing their school uniform and also have the flexibility to be actively involved in their entire learning, whether it is classroom orientated or outdoor/physical education.
- It also assists in the safety of students as they are easily discernible in the yard or on excursions.
- No decorations, embroidery, brand labels, stripes or piping on pants
- The Uniform Shop, located in the Front Office is run by volunteers. It is open each Monday 8:45am to 9:30am, Wednesday 2:45pm to 3:30pm and Friday from 8.45am to 9.30am.

FOOTWEAR

Shoes or sandals should be supportive enough to enable the child to fully participate in PE lessons.

COSMETICS - Make-up is not to be worn. This includes nail polish.

HAIR CONTROL - All long hair to be tied back. Hair should be combed or brushed for school. School colour ties are recommended. Hair ties, bows or ribbons should be kept short in length and small in size.

HATS

Sun Smart navy blue school legionnaire, bucket or slouch hats are enforced for outside wear except during winter (effectively all of Term 2 and up to and including 31 August). School beanie may be worn during Winter. Failure to wear a hat results in 'No Hat No Play'.

SCARVES - If scarves are worn, they are to be blue or white.

JEWELLERY – A watch and earrings (stud or sleepers) only. No other jewellery or decoration is to be worn with the uniform.
