## Facebook for OSHC

See your child participate and receive up-to-date information.

Dear families and caregivers,

The **Seacliff School OSHC Facebook** page has enhanced the transparency of the OSHC program and provides another convenient avenue for communication with families. Now more than ever, families are connected with their children's learning and recreational experiences at OSHC.

### The Seacliff OSHC Facebook policy

*The Seacliff School OSHC Facebook page is to be administered by the OSHC Director and/ or Assistant Director, and will be used for communication purposes between OSHC staff and families, as well as providing visual feedback of activities undertaken by children while attending the OSHC service.*

*Written authorisation from each child's parent and/ or guardian must be sought before any photos/ videos of that child are posted to the Facebook page. The page will be "closed" for privacy reasons and requests to join the page will only be authorised for parent(s)/ guardian(s) of enrolled children once written consent to participate is received, and certified by the Director. A child does not need to regularly attend the service for a parent/ guardian to make a request however the child must be enrolled in the service.*

Families will be removed from the page once they have left the school or no longer use OSHC.
