

## Seacliff Primary School OSHC and Vacation Care

A fun, friendly, safe recreational environment where children learn through play. Our service has been rated as Exceeding National Quality Standards, which puts us in the top 5% of the country! The School's Governing Council is the 'Approved Provider', responsible for the service. OSHC is a nonprofit organisation where any surplus is re-invested back into improving the facilities and program.

We offer the following programs;

**Before School Care      6:45-9:15am                      \$11.50**

A relaxed atmosphere where good conversations are had over complimentary breakfast, which finishes at 8am. After which, energetic children may choose to engage in something active at the hall or outside, whilst others may pursue arts & crafts, board games, homework or a game of pinball amongst the many other activities available. We also offer cooking activities and pancake breakfasts weekly! Children are signed out for school at 8:45am.

**After School Care              2:45-6:15pm                      \$20.50**

A fun filled, child-directed program where children decompress after a day of school. A healthy snack is provided from 3:30–4:00pm daily. OSHC educators plan for and offer a range of exciting activities, such as science experiments, sports and games, treasure hunts, arts and crafts and construction to name just a few. Free-choice is promoted and there are opportunities to rest, relax and do some homework also.

**Vacation Care                      6:45am-6:15pm                      \$52 or \$57 for excursions**

Every day has an exciting program, whether it being a fun excursion, or a special entertainment organised for in-house days. Children have the opportunity to experience activities and locations that would often be too hard or expensive to for families to organise. Be sure to check out our Vacation Care Program for all of the details.

**\*Please note that we are open Pupil Free Days – see OSHC for details**

### **Subsidies – Child Care Benefit (CCB) & Child Care Rebate (CCR)**

The most any eligible family should pay is half of the above mentioned fees, even less if your combined income is less than \$147000 p/a. If you haven't already done so, please call 13 61 50 to register and then provide OSHC with your Customer Reference Numbers (CRN).

### Bookings/ Cancellations

Book in advance or on a day to day basis, it's up to you. Changes can be made at any time. To avoid a fee, please cancel before the end of the previous session. Please take note that the Vacation Care policy differs considerably. See the Vacation Care cover sheet for details.

The OSHC Team – is comprised of quality Educators that are either qualified, working towards qualification, or possess the appropriate skills and experience. Service Director Adam Panetta has been leading the program for 10+ years and holds a degree in Education. All staff are trained in *Responding to Abuse and Neglect*, have *DCSI Working with Children clearances* and have met all of DECD's requirements as per the *Pre-Employment Checklist*. Safe to say, your children are in very good hands!

### **Enrolment**

To register to use the service please complete the 2017 enrolment form; if you would like to use Vacation Care you will also need to complete the Vacation Care booking sheet. These forms are available from OSHC as a hard copy or electronically by request.
